Re: United States v. Vincent Asaro, et al.,
14 Cr. 26 (ARR)

Dear Judge Ross:

I write to advise the Court of the progress the parties have made with regard to the discovery issues discussed at the last status conference. Currently, Ms. Argentieri and I are exploring various options with the legal staff at the Metropolitan Detention Center. We are hopeful that we will be able to obtain a reasonable solution that will allow the defendants sufficient time and the necessary equipment to review the discovery. We are scheduled to have a conference call tomorrow in furtherance of this goal.

If it appears that a resolution cannot be achieved, I will advise the Court prior to our next appearance which is currently scheduled for June 11, 2014.

Respectfully submitted,

Elizabeth E. Macedonio
